LED Vanity Lamp

NOTE:

- * Make sure POWER is COMPLETELY OFF at the fuse box
- * Have your fixture installed by a qualified licensed electrician
- * Prepare everything in a clear area
- * Wear gloves at all time during this installation
- * Read instructions carefully before you start assembly
- * Keep this installation sheet for future reference
- 1. Remove fixture from its original package.
- 2. Separate mounting palate from fixture body by removing canopy screws.
- 3. Attach mounting plate to electrical junction box using screws provided in hardware package.
- 4. Secure mounting plate to mounting surface with additional screws.
- 5. Make proper electrical connections (black to hot "L", white to neutral "N", ground to "GND") with wire nuts provided in hardware package.
- 6. Attach mounting plate to holes on fixture body, and then attach using cannopy screws.
